**Next**

This is the **Zoom App**.

You are already signed in at this point.

You can begin to create meetings and schedule your classes.

If you had a personal Zoom Account previously signed in on your computer, you will need to sign out first and then follow the steps explained above to sign into your **UNILAG Zoom Account**.

To sign out, click on the avatar on the **top right hand corner** of your Zoom App, then click on **Sign Out**.
